

مستشفى رويال حياة
ROYALE HAYAT HOSPITAL

An imaginative
journey through
Royale Hayat
Hospital - Kuwait

Healthcare is no longer simply a visit to your doctor or a necessary stay in hospital for treatment, patient satisfaction is in high demand, so it should be.

Imagine yourself looking forward to your healthcare experience surrounded by five-star luxury in resort-style boutique hotel surroundings; at Royale Hayat hospital (RHH), that is precisely what you get.

In 2006 Royale Hayat's founders had the vision to combine the luxury of five-star hospitality with excellence in healthcare, and that concept became a reality. Initially, women's and children's healthcare was the focus of RHH. Still, following the success of the outstanding maternity services, the hospital expanded its services in 2009 to become the centre of excellence in healthcare it is today.

Best Hospital in Kuwait

Royale Hayat Hospital has been awarded the Best Hospital in Kuwait since 2010 by the prestigious "Service Hero". So what's the secret to RHH success? This book will take you through the journey that is "The RHH patient experience".

AND THE JOURNEY BEGINS...

Before you even enter Royale Hayat hospital, you will be in awe of the magnificent water and fire fountain, like nothing you have witnessed at a healthcare facility. So impressive you may need to attend your appointments a few minutes early to take in the scenery!

Drive up to the front entrance where you will be greeted by RHH staff, hand over your keys to the valet parkers, suited and booted in their smart uniforms to take care of your car, no need to search for a parking space; your luxury boutique hotel feeling starts here.

Right in the heart of the impressive lobby is the inviting Al-Liwan coffee lounge and diner where in-house freshly catered food and scrumptious desserts will tempt every yearning.

So relax in sheer comfort, taking in the ambience of the sophisticated surroundings, or why not take advantage of the free Wi-Fi to surf the net while waiting.

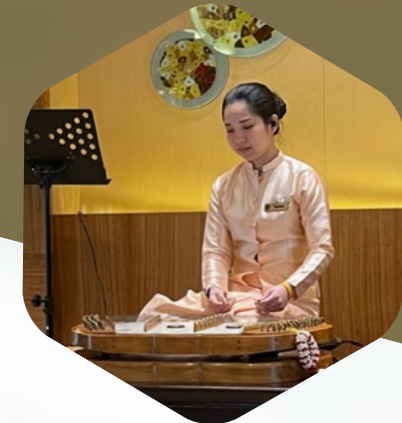

Enter the lobby, and you could be mistaken in thinking you are booking into a high-class hotel. You are welcomed by beautiful and serene décor with fabulous artistic sculptures and a wonderful ambience created by the resident classic musicians.

To your left, you will find the 24-hour concierge service, ready and willing to assist with luggage, advising you on hospitality and clinical services and escorting you wherever you need to go. To the right is RHH pharmacy, where you can fill your prescriptions or find many practical and luxury products to make your stay at RHH comfortable.

Indulge in freshly squeezed juices and incredible smoothies or choose from a wide variety of delicious pizzas and burgers to exotic salads, sandwiches and wraps. Finish with one of the most delightful cakes or cookies accompanied by choice of specialised coffees and teas.

RHH cafeteria is open from 8 am until 8 pm, so why not go and take your breakfast, lunch or dinner and experience a little taste of RHH.

Just behind the concierge, you will find three of RHH clinical services units, where some of Kuwait's finest medical minds are readily available to offer you amongst the best medical care in the middle east.

Relax in comfortable surroundings while efficient customer service personnel take care of your appointments.

Ground Floor

CLINICAL SERVICES

Famous for women's healthcare services in Kuwait, RHH obstetrics and gynaecology units have several male and female medical experts offering modern medical treatments and IVF fertility solutions.

Current technology permits you to sit at one of RHHs excellent coffee shops or restaurants with a vibrating alarm to notify you when the doctor is ready to see you.

RHH medical imaging and laboratory departments can cater for all your diagnostic medicine. Modern State of the art MRIs, CT scans and X-Ray amenities provide RHH clients with the option to obtain all their inclusive healthcare within one prestigious facility.

- Concierge Service.
- Royale Hayat Pharmacy.
- Al Liwan Cafe.

First Floor

LUXURY

Whether you enter by one of the ground floor guest elevators or climb the luminous cascading waterfall surrounded staircase to the first floor, you will no doubt be impressed by the continuation of the elegant and tasteful surroundings.

Hosting RHH Elements Banyan tree spa, the first floor entices you to the health and relaxation experiences comparable to the worlds most exclusive hotels. As you walk down the entrance to the exclusive spa surrounded by breathtaking natural sculptures, you can only be excited by the anticipation of this sanctuary of the senses.

Welcomed by a quaint little boutique featuring displays of ceramic oil burners, home spa essentials and ornamental trinkets, you can take a little piece of Banyan tree home with you. Then, as you walk down the plush red carpet of the vast corridor to the spa therapy rooms, you will feel like a celebrity preparing for a special event. The event that awaits you is an ultimate pampering experience, indulging you in complete mental, physical and spiritual renewal.

Services provided by the award-winning spa include a plethora of holistic massages, hydrotherapy and body treats, and well-being journeys that entice you to tranquil surroundings.

You can even get hand and foot care, therapeutic face and head treatments, and luxury hair remedies. Imagine yourself immersed in sheer relaxation with not a care in the world. Let your wonderful and holistic spa experience be part of your RHH memorable journey.

Royale Hayat

BEYOND HOSPITALITY

Consistent with the five-star luxury experience at RHH is the exceptional attention to detail provided by its hospitality services. Luxury is an understatement; one could be forgiven for forgetting you are inside a healthcare facility; Royale hospitality is the ultimate example of a personal 5-star luxury experience beyond your imagination.

Besides just providing services to RHH patients, hospitality is a vital element of the boutique-style healthcare experience.

The first floor is also home to Gardenia and Al Jouri halls, exclusive luxury venues to host your events and impress important guests. Here to deliver above and beyond your expectations, RHH not only offers every type of in-house hospitality, but guests can take that experience out.

An entire team of entertaining experts provide you with every aspect of hospitality at any venue of your choice. Rest assured, you and your guests are always treated like the VIPs you are.

Luxury SERVICES

Whatever your requirements, RHH has got it. The A to Z of services:

Suppose you have ever attended an event at Royale Hayat or one catered by Them. In that case, you would have been amazed by the extensive range of exotic food and beverages freshly catered by the talented team of executive chefs. Fabulous canapes in awe-inspiring displays captivate all your senses, from the beautiful visual delights to the wonderful aromas and tastes that will excite your tastebuds. Sweet and savoury foods suit every taste, and carefully created juices served in elegant stemware to impress even the most discerning guests are among Royale hospitality offers.

Royale packages include a choice of room hire, a wide range of food and beverage choices, including live cooking stations, table and linen rental, crockery, glasses, personalized gifts and everything you could think of to make your event the most memorable experience.

Imagine how you would impress your guests with an exotic sushi station or traditional cuisines such as shawarma or waraq enab and fatayer stations. Or why not go for the more continental mini cheeseburger or Italian pasta stations.

On the sweeter side, mini macarons or ice cream stations are always a big hit. You are spoilt for choice with chocolate fountains, fondues or chocolate dip stations for the ultimate chocolate lovers; there is something for everyone.

- Food and Beverages Department.
- Events department.

If you would like to give your guests a little something special to mark your occasion, RHH can provide you with personalized water bottles, tissues boxes and gifts.

Whatever you have in mind, Royale Hayat is always available to give you that unique and memorable patient experience.

RHH executive chefs are ready and waiting to cater for all tastes and special diets. Excellent fresh produce is delivered to the hotel-style in-house kitchens daily to prepare the simplest to the most exotic creations.

Patients can be sure of healthy, nutritious and tasty food recommended by their medical team. At the same time, their guests may enjoy fabulous hors d'oeuvres or sweet delights as per individual orders.

Events Department

ABOVE & BEYOND YOUR EXPECTATIONS

Your stay at Royale Hayat is more than just an event in your lifetime; it is more of an exciting experience that you can share with friends and family. Patients and clients of RHH can book their special events in one of the spacious entertainment venues on the first floor.

Baby receptions are amongst the most popular events where the room is set up to resemble a royal bedroom suite. New mums can introduce their precious new arrival to friends and family in luxury surroundings catered for every taste and budget.

Envisage guests being welcomed by the mesmerising sounds of the oriental Kim and flute played by the talented female musicians. The aroma of fresh flowers imported from Holland, created into beautiful masterpieces by RHH skilled and creative florists.

The ambience of mood lighting creates an atmosphere of Love, joy and peace, surroundings you will want to cherish with a personalized album of pictures and video footage of your special moments created by RHH creative photographers and videographers. As guests arrive for special events, they are greeted by a personalized butler service where as many as ten female butlers trained to the highest standards are waiting to serve the vast array of exquisite foods and beverages consistent with the worlds finest establishments.

Events are not only limited to baby receptions but all manner of special occasions. Why not consider a corporate event that will make a lasting impression on your clientele? Whatever the occasion, be sure RHH will pull out all the stops to make it a most memorable day.

THE FUTURE OF

Hospitality and Guest Relations

AT ROYALE HAYAT HOSPITAL

RHH is constantly evolving; plans are underway to create charming boutique-style function rooms where high-class brands are showcased in prestigious surroundings to regale the most discerning guests, entertaining at a whole new level...watch this space!

رويال حياة دنتل

ROYALE HAYAT DENTAL

We are Royale Hayat

Also situated on the first floor is RHH dental department. Oral health is as essential as any other part of your healthcare, sometimes more so, as inadequate oral hygiene can lead to several other medical conditions. However, with its state of the art equipment and exceptional dental Practitioners, RHH dental is sure to put an attractive smile on your face.

Children are welcomed by beautifully decorated child-friendly rooms painted with cartoon characters and lovely scenery. No child needs to feel frightened of visiting the dentist. Anxious patients, including children and adults, can have their dental surgeries under full general anaesthesia where required.

Preventative, restorative and cosmetic dental treatments for patients of all ages are performed in wonderful and relaxing surroundings by experts in dentistry.

Second Floor

PEDIATRICS DEPARTMENT AND INPATIENTS

Royale Hayat's second floor is dedicated to Pediatrics providing first-class medical services from newborns to 12 years old. As you enter the floor, you immediately feel a warm, family-like welcome; the beautiful child-friendly surroundings are designed to make the precious little ones feel at ease.

Having a sick child is a worry for every parent; however, the RHH professional Pediatrics team are on hand from the moment you enter. The inviting lounge and play area will keep the little ones entertained while waiting for your healthcare team. Three wonderfully decorated Daisy day suites are available for the observation of RHH youngest guests and accompanied parents. Every child can feel at ease with the child-friendly décor creating a peaceful environment painted with green fields and floating clouds.

If children are admitted, the second floor has many charming and welcoming suites to choose from. The floor consists of nineteen Lily suits; each spacious 32 Sqm room is elegantly furnished with cleverly hidden medical equipment enclosed in the decorative wooden panels behind the headboard. Each suite has its own luxurious private bathroom and a comfortable seating area for friends and family. In addition to Lily, the Pediatrics department has three Tulip surgical suites with all the appropriate equipment to aid the recovery of surgical patients.

Also, on the second floor, you will find neonatal and nursery units where precious new lives are nurtured. A practical and private room is available for breastfeeding, with ample feeding advice and support for new mums. A special team of Pediatric healthcare professionals provide the most comprehensive range of healthcare services any family could need. Doctors with every Pediatric specialty are always on hand in a 24-hour safe and secure environment.

RHH dedicated healthcare philosophies encompass the family unit at every stage of its journey. Parent and childbirth education programs provide knowledge and understanding for parents and allow them to explore every possibility for the delivery of their newborns.

Third Floor

INPATIENT SUITES AND SPECIALISED CLINICS

The third floor is mainly an addition to the hospital's inpatient facilities. The area has a comfortable and relaxing waiting lounge, an excellent nursery, and a practical nursing station that monitors the guests' needs 24/7. In addition to the comprehensive services, a prayer room is located for the convenience of RHH guests.

Boasting eighteen 60 Sqm luxurious Camellia suites, the third floor resembles a grand hotel. The beautifully decorated rooms display elegant and classic design furnishings, each handpicked to create a home from home comforts. The large reception area is perfect for entertaining friends and family with amenities to cater for all your needs.

Live video feed to the nursery permits new mums to keep an eye on their treasurable little bundles of joy; RHH inpatient guests can sit back and enjoy sharing those precious little moments or take some time out to watch a showtime movie. With a 24-hour housekeeping service, a pantry with complimentary refreshments and fabulous private dining, you may never want to leave!

In addition to the beautiful inpatient suites, the third floor also has a physiotherapy department promoting good health throughout pregnancy. Several physical aspects of Prenatal and postpartum care is addressed at the department in a holistic approach to motherhood and beyond.

Finally, the Urodynamic clinic specialises in women's health services providing confidential advice and treatment for all female related issues, from adolescence to post-menopause.

When the elevator doors open on the fourth floor, you are greeted with sheer luxury surroundings that will satisfy the most discerning of eyes. From the floor to the ceiling, the impressive décor blends seamlessly with rich mineral and earthy tones.

Multiple cubicle style seating areas provide guests with a sense of privacy where families can sit together while waiting for their appointments.

Fourth Floor

COSMETIC, FAMILY AND INTERNAL
MEDICINE AND GENERAL SURGERY

A complimentary refreshment table offers guests fresh fruit-infused waters or juices with delicious biscuits from RHH talented catering team.

Straight ahead is the family and internal medicine department, with Kuwait's most comprehensive team of specialists all under one roof. The fourth floor has specialists and consultants in family and internal medicine, including endocrinologists and gastroenterologists, respiratory medicine, nephrology and transplantation consultants, ENT cardiology and metabolic medicine.

To your left, the ambient lighting and shimmering gold signage direct you to the cosmetic and plastic surgery department, the most luxurious and elegant surroundings fitting of a center that represents beauty in all its glory!

Each room is custom-designed, not only for pragmatism but for the feeling of five-star luxury at every turn of the head. World-renowned male and female plastic and reconstructive surgeons of different specialties are available to offer professional advice and guidance in cosmetic surgery procedures. Instilling a sense of trust all the way through your transformation journey from consultation to post-surgical recovery and beyond.

Skilled dermatologists, specialists in minor surgical interventions and clinical aestheticians are part of the talented and professional cosmetic team. Whether you are seeking surgical, non-surgical, dermatology or cosmetology, La Cosmetique Royale has all your clinical and aesthetic requirements under one roof.

Leaving family, internal medicine and the cosmetic center, you may be surprised to know that other specialist departments also exist on the fourth floor. Right of the elevator, you will find "general surgery." Specialist and consultant surgeons provide various procedures, including general, laparoscopic, bariatric and surgical oncology procedures. Also, on the fourth floor, you will find the laboratory to take care of all your investigations, a consultant histopathologist for all your diagnostic procedures and a clinical dietician providing all the advice you require for weight management.

Fifth Floor

LABOR, DELIVERY AND SURGICAL
OPERATING THEATRES

Although floor five is mainly a surgical or labor and delivery floor, every aspect of patients and guests' comfort has been considered. As you enter, you will find the triage and admissions reception, with a professional medical team ready to assess and prioritise cases as they come in.

With twelve delivery and recovery rooms, Four operating theatres, six post anesthetic care units and a special baby care unit, every patient is given exceptional healthcare in a super-efficient and safe environment.

RHH outpatient clinics on the fifth floor include pain management, endoscopy rheumatology, gastroenterology, anaesthesia and preoperative care. While waiting for appointments or just visiting friends, guests can enjoy freshly made coffee with a choice of delicious sandwiches, salads or deserts at the The Café.

الكافيه THE CAFÉ

Whereas inpatients can relax and recover in any of the wonderfully spacious 52 sqm mimosa suites.

Each suite is elegantly decorated with a roomy area to entertain friends and family in the usual RHH style.

Sixth Floor

VIP LUXURY AT ITS FINEST

RHH sixth floor is dedicated to pure luxury that can only resemble the finest hotels in the world.

As you exit the elevator, you are greeted by the best-trained customer service staff who will make you feel like the VIP you are when you are a guest at RHH. Here you will walk down what seems like endless serene corridors decorated with the most magnificent floral displays encompassed in ambient lighting, providing a sense of peace and tranquility.

The sixth floor consists of four distinct styles of inpatient suites. Each suite has a different kind of décor. There are excellent amenities that include kitchens equipped with tea and coffee making facilities. Interactive television entertainment systems, live video feeds to the nursery, phones, Wi-Fi and 24-hour housekeeping service. Guests can enjoy exclusive private dining and order from the extensive range of services only RHH hospitality can deliver.

Five jasmine suites are evocative of the delicate jasmine flower. Each suite is 90 Sqm elegantly decorated with classic elements of silk and wood. Elegant cove and ceiling lighting together with carefully chosen table lamps create a feeling of warmth and comfort. The walls display carefully selected pieces of fine artwork to add to the sense of sheer luxury and indulgence.

Three lotus and two orchid suites contain all the sheer elegance and luxury of the jasmine but are designed for the most discerning of guests. The classical European designs and privileged luxury provide a feeling of celebrity status at the very least. Each suite has a private companion room and bathroom and a lavish reception area where you will want to invite your most special friends and family. In addition, there is a separate private lounge available for your guests if you feel the need to rest in your idyllic surroundings.

Every inpatient guest of lotus and orchid suits can enjoy the full benefits of the banyan tree spa on the first floor. Whatever you require, you can ask your dedicated private butler who is ready to provide you with whatever you desire from RHH plethora of hospitality services.

RHH Royale Orchid suites have got to be the most breathtaking hospital inpatient suites you will have ever seen. Frequently reserved by most elite VVIPs yet still accessible to anyone with exquisite tastes.

The royale orchid guests can be assured of around the clock security and privacy. Each suite has two entrances, one of which is entirely secluded, allowing guests to maintain anonymity if they so, please.

RHH has two Royale orchid suites, each boasting a 130 Sqm suite with an adjoining reception hall adding an additional 122 Sqm of space. The Royale orchid suites have all the amenities of the lotus and orchid suites but extra personalised services unique to RHH VVIPs.

When approaching the Royale orchid suites from the sixth floor, you will walk down the splendid nature-inspired corridors of high gloss wooden floors and beautifully decorated wall panels covering ambient lighting creating a feeling of peace and serenity. At the end of the corridor, you will enter through double doors to a private lounge and reception desk where specially trained staff will ensure you and your guests are welcomed in the style of royalty. The private lounge area is adorned with marvelous floral displays that will take your breath away.

To the left and the right of the private lounge lay the royale orchid suites. As you are welcomed to the suites, you will experience a whole new level of luxury, where every convenience of you and your guests has been taken care of. Way beyond five-star extravagance, you will not be disappointed with the superb décor and amenities that will make your stay one of your most precious memories for years to come.

The lavish classical European style furnishings have been carefully chosen for the finest quality materials. Elegant signature pieces match perfectly to bring about a sense of harmony and tranquility. The dining room table can be elegantly set to enjoy a private dining experience whenever you so desire. At the same time, the spacious main bathroom provides guests with extra special touches of extravagance, such as the baskets of luxury skin and hair care products.

The companion room with its own bathroom means you will never need to be unaccompanied. However, your companion has sufficient space to give you alone time should you require it.

Each royale orchid suite has a Hill-rom intelligent bed for the patient's comfort and another beautifully adorned bed within the main reception hall. Therefore, patients can entertain as many as 50 guests without leaving the comfort of the bed if so desired.

What better way to hold your reception than to welcome your guests to a wonderfully spacious and elegant hall with a glorious skylight showering down rays of sunlight into the very heart of the room. Richly decorated wooden paneled walls create a feeling of warmth while matching elegant chairs and sofas are ready to offer your guests superior relaxation and comfort.

RHH hospitality can provide patients and guests with every aspect of luxurious living and entertaining, from superb catering, floral displays, music, lighting and gift services to entertainment. Whatever the requirement, RHH guest services teams are ready to make your stay at Royale Hayat beyond your expectations.

A word from the Author

I hope you have enjoyed your imaginative journey through royale Hayat hospital. To fully comprehend the level of quality and commitment to RHH guests, you really must experience it for yourself. The hospitality team are always ready, willing and able to give you a tour of the facilities and discuss your requirements.

A more comprehensive view of the clinical services is available on the RHH website and social media accounts. Each of the clinical departments has detailed information about every member of the extensive medical team and services provided.

In addition to this e-book, there are other books on cosmetic surgery and beauty you may enjoy. You can simply scan the QR codes for instant download.

In the meantime, please feel free to contact RHH for a tour of the facilities or to book an appointment with any of the experienced, talented doctors and surgeons. Remember, Royale Hayat Hospital Kuwait is healthcare at its finest!
